### MESSAGES FROM THE GOVERNOR

The Honorable Robert Marks  
Speaker of the House  
Montana House of Representatives  
State Capitol  
Helena, Montana 59620

February 26, 1981

Dear Mr. Speaker:

This is to inform you that I have signed the following measures this date:

House Bill Nos. 2, 103, 122, 123, 124, 322.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Robert Marks  
Speaker of the House  
Montana House of Representatives

February 27, 1981

State Capitol  
Helena, Montana 59620

Dear Mr. Speaker:

This is to inform you that I have signed the following measure this date:  
House Bill No. 23.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

February 27, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill 139, "A BILL FOR AN ACT TO REMOVE THE ANNUAL ELECTIONS OF FIRE DISTRICTS, HOSPITAL DISTRICTS, IRRIGATION DISTRICTS, AND DRAINAGE DISTRICTS FROM THE CONSOLIDATING PROVISIONS OF TITLE 13; TO PROVIDE THAT THE ELECTIONS FOR SUCH POLITICAL SUBDIVISIONS BE HELD ON SCHOOL ELECTION DAY, THE FIRST TUESDAY OF APRIL, EITHER IN COOPERATION WITH A SCHOOL DISTRICT OR AT ANOTHER CONVENIENT LOCATION WITHIN THE POLITICAL SUBDIVISION; TO PROVIDE FOR A MANNER OF CONDUCTING SUCH ELECTIONS, NAMING QUALIFIED ELECTORS, AND NOMINATING CANDIDATES FOR OFFICE; AMENDING SECTIONS 7-33-2106, 7-34-2116 THROUGH 7-34-2118, 13-1-104, 13-1-301, 13-1-302, 85-7-1702, 85-7-1710, 85-8-302, 85-8-304, AND 85-8-306, MCA; REPEALING SECTION 85-8-303, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE" without my signature and recommend the attached amendments.

I propose that in Section 13-1-104(3), (Section 6), an election administrator have the option to appoint a deputy election administrator rather than be required to do so. Also, as the proposed amendments indicate, the words "election administrator" have been added to certain sections of the bill in order to make the sections consistent with situations where the election administrator does not appoint a deputy.

Further, Section 13-1-104(3), (Section 6), provides that a deputy election administrator is responsible for the conduct of the annual election of a political subdivision, as provided by Section 8. Section 8 provides that a political subdivision may conduct its annual election at an annual meeting of the political subdivision or at another convenient location subject to 13-1-104(3). When sections 6 and 8 are read together a question arises as to the authority of the deputy election administrator to determine the conduct of an election.

The problem can be solved by inserting language in Section 8 which requires a political subdivision to secure the consent of the election or deputy election administrator when determining the conduct of an election.

This proposed amendment will allow the political subdivision and the election or deputy election administrator to work together to coordinate voting places for different special district elections when such coordination is desirable. This amendment assures that the election administrator actively participates in establishing the conduct of an election.

I urge your concurrence in these amendments.

Sincerely,

TED SCHWINDEN  
Governor

Speaker of the House  
Montana House of Representatives  
State Capitol  
Helena, Montana 59620

Dear Mr. Speaker:

This is to inform you that I have signed the following measure this date:

House Bill No. 519.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

March 2, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear President Turnage and Speaker Marks:

In accordance with the power vested in me as Governor by the constitution and the laws of the State of Montana, I hereby veto House Bill No. 250, "AN ACT TO GENERALLY REDUCE PERSONAL INCOME TAX LIABILITY AND TO ADJUST THE AMOUNT OF EXEMPTION DEDUCTION BECAUSE OF A STATE BUDGET EXCESS; AMENDING SECTIONS 1, 3, 4, AND 5 OF INITIATIVE NO. 86 AND SECTION 9, CHAPTER 698, LAWS OF 1979; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE."

The Executive Budget submitted on January 12 incorporated my pledge to provide reductions of \$109 million to Montana taxpayers who need relief the most — the elderly, the middle and low income citizens, and the owners of personal vehicles. I intend to stand by that commitment.

The sponsor of HB 250 wrote me last week relative to the importance of "fiscal discipline" in state government. I have long recognized the need for fiscal discipline in and out of state government — it characterizes my form of management, motivated my candidacy for the office of governor and is a top priority of this administration.

The Legislature, too, must demonstrate its commitment to "fiscal discipline" by establishing, and sharing with my office and the people of Montana, responsible revenue estimates and spending levels for state government. Those amounts, which taken together represent the state budget, have not been made public by the Republican leadership. To the contrary, appropriations already approved by the legislative subcommittees, added to the cost of the Foundation Program initiated and supported by the House majority, *exceed my biennial general fund budget recommendations by at least \$40 million — and enactment of HB 250 would cost an additional \$24 million!*

I am deeply disappointed that the Republican leadership has rushed this legislation to my desk. Why? Because approval of significant tax reductions prior to agreement on revenue estimates and spending levels repudiates the doctrine of "fiscal discipline" advanced by Rep. Nordtvedt.

Last December we mutually pledged cooperation, and the first half of the 47th session has been remarkably, and rewardingly, free of confrontation and partisan rhetoric. Montana and Montanans are better off for that. That spirit of cooperation is now threatened in the very area where it is most vital — the state budget process. Despite repeated pleas, the Republican leadership has failed to provide a balanced budget package for public examination. I had hoped, and expected, that the tax proposals submitted by the governor would be accorded equal consideration in the legislative process. But look at the record.

	<u>Governor's Proposals</u>	<u>Legislative Action</u>
SB 337	Property tax relief for the elderly	None!
SB 355	Flat-fee vehicle licensing	None!
SB 356	Oil severance tax increase	None!
HB 559	Removal of surtax for 90% of Montana taxpayers	None!
HB 614	Amendments to tax indexing	None!
HB 757	School Foundation program	None!

On February 20, I respectfully requested the Republican leadership to defer action on HB 250 until we had a better idea of appropriation levels, and a clearer understanding of the impacts on Montana of the federal budget President Reagan will send to Congress on March 10. Announced federal cuts in Medicaid funding alone could cost the state \$10 million or more.

The unwillingness of the leadership to cooperate in budget matters speaks not of "fiscal discipline," but of partisan politics. The enactment of major tax legislation in advance of agreement on a balanced budget is unacceptable fiscally, however advantageous politically.

No governor is insensitive to the political consequences of his actions — particularly when he is placed in the awkward position of rejecting partisan legislation mislabeled as "tax relief." Political sensitivity, however, must always give way to political responsibility.

I am vetoing HB 250 and returning it to the legislature, knowing full well that action will return the personal exemption level to \$1,250. Responsible consideration of HB 614 can address that issue. The political game has been played, now let us sit down together and take a hard look at Montana's budget picture. Fiscal cooperation has worked well in session after session — it will work just as well in 1981.

Olive branches are impressive gestures, but gestures do not create balanced budgets — cooperation and hard work do. I am ready and anxious to begin.

Sincerely,

TED SCHWINDEN  
Governor

### MOTIONS

Representative Vincent moved that the House reconsider its action in adopting the Adverse Committee Report on SB 154 on the 51st legislative day and that the bill be recalled from the Senate. Motion carried. (49-31)

Representative Dussault moved that SB 142 be taken from Second Reading and rereferred to the Committee on State Administration. Motion carried.

Representative Fagg moved that SB 37, which passed Second Reading this day, be taken from Third Reading and rereferred to the Committee on Appropriations. Motion carried.

### SPECIAL ORDERS OF THE DAY

Because Senator Pat Regan got a bit miffed with the Republican leadership at the Appropriations Committee hearing on Saturday and because, when she stormed out of that meeting, she fell and blackened her eye and bruised her hip, she was presented with first aid in the form of a beefsteak for her black eye, proffered hesitantly on the end of a long stick by Majority Leader Fagg, who was protected by a vintage red football helmet—just in case.

### UNFINISHED BUSINESS

The Speaker appointed the following representatives to the Select Committee on Employee Compensation:

Sivertsen, Chairman  
Lund  
Iverson  
Bardanouve  
Holliday

### SPECIAL ORDERS OF THE DAY

Consent Calendar

Discussion was allowed on SB 307.

Representative Fagg moved that the House adjourn until 3:00 p.m., March 10, 1981.

Motion carried.

House adjourned at 5:50 p.m.

#### PROPOSED RULES FOR DEBATE OF HB 500

1. Each appropriations subcommittee chair will fully explain his portion of the bill. Chair will not be subject to the gag rule.

## FIFTY-FIFTH LEGISLATIVE DAY

Helena, Montana  
March 12, 1981

House Chambers  
Capitol Building

House convened at 3:00 p.m., Mr. Speaker in the Chair. Invocation by the Chaplain. Pledge of Allegiance to the Flag.

Roll call. All members present except Daily, Harp, Vinger, excused. Quorum present.

Mr. Speaker: We, your Committee on Legislative Administration/Bills and Journal, having examined the daily journal for the Fifty-fourth Legislative Day, find the same to be correct.

SPIPKER, Chairman

### SPECIAL ORDERS OF THE DAY

Superintendent of Public Instruction Ed Argenbright and two guests were escorted to the well of the House.

Superintendent Argenbright introduced Montana's teacher of the year, Charles L. Nelson, of the Seeley-Swan school system, to the House of Representatives, where he received a standing ovation. He was then presented with a full set of the Encyclopedia Britannica by a spokesman from the company, Charles Davis. He also received a plaque from Good House-keeping magazine honoring him as Montana's teacher of the year.

### SPECIAL SPECIAL ORDERS OF THE DAY

WHEREAS, the annual House-Senate basketball game was held last evening at the Helena Junior High gymnasium; and

WHEREAS, the Big Orange Crush of the House soundly trounced the feeble, geriatric efforts of the Senate (61-60), despite illegally recruited players not on the Senate roster.

THEREFORE, the following members were escorted to the rostrum, introduced by the Speaker, and presented with a trophy:

"Dunker Bob" Anderson

(Coach-Player)

"Boom-Boom" Brown

"Chuckin" Cozzens

"Hatchet" Hannah

"Dribbling Dan" Harrington

"Jumping Jerry" Kessler

"Killer" Kitselman

"Mean Man" Menahan

"Mad Dog" Meyer

"Tip-In Ted" Neuman

"Nasty" Nordtvedt

"Limping Les" Nilson

"Dashing Dave" O'Hara  
(Blackie)

"Swisher" John Vincent  
(Most Valuable Player)

"Cool Hand Cal" Winslow

The orange-clad representatives were led by Representative John Vincent who poured in 32 points to offset the 31-point contribution of the elongated Steve Brown of the Senate. "Mean Man" Menahan, whose quickness was evident throughout the game, stymied the Senate offense by completely controlling the center court and challenging anyone to attempt to dribble past him. All in all, it was a pretty good football game, with what the sportswriters called "torrid underboards action".

The House stood in recess at 3:20 p.m., so that the team might visit the Senate chamber and deliver a fresh orange (appropriately inscribed) to each senator in condolence and to express their good will despite the stall tactics used throughout the contest and to show the Senate that they

didn't really deserve the criticism that "they can't pass basketballs any better than they pass legislation . . ."

The House resumed at 3:35 p.m.

Section 14. Other funds to offset general fund. The approving authority shall decrease the general fund appropriation of the agency by the amount of funds received from other sources in excess of the appropriation provided in this act unless such action is expressly contrary to state or federal law, rule, or contract or the approving authority certifies that the services to be funded by the additional funds are significantly different from those for which the agency has received an appropriation.

Section 15. National conference of state legislatures. Agencies may participate in the activities and programs of the national conference of state legislatures within existing appropriations.

Any federal money received above this amount may be spent only to improve direct client services as recommended by the council and approved by the SRS director.

The department is encouraged to utilize medicaid funds to support community services for the developmentally disabled where the use of such funds is cost-effective in providing services in the least restrictive environment. The department may use any savings generated from the budget for the developmentally disabled to develop additional community services.

The director shall reorganize the vocational rehabilitation and visual service programs to effect administrative economies and maintain direct benefits to clients within the appropriations herein provided. At least 15% of federal funds available for vocational rehabilitation shall be expended for the blind.

The department may use general fund money appropriated in item 3 together with matching federal funds to augment item 2. The department shall fully match the appropriation in item 2 at the maximum allowable federal rate with federal medicaid funds.

Item 3 is a biennial appropriation for cash expenditures made from June 1 to July 30 of each fiscal year. There may not be an accrual made at fiscal year end under item 3.

Item 4 is only for medicaid accruals. There may not be any cash expenditures made against this appropriation during fiscal 1982, 1983, or 1984. A unique responsibility center and appropriation number shall be established in the statewide budgeting and accounting system to account for this appropriation.

Because of the uncertainty in federal funding, the department should anticipate receiving the level of federal funding for AFDC, Medicaid, and Title XX calculated in the appropriations until funds at the federal level are allocated.

1. Page 1.

Following: line 8

Insert: "Whereas, there are more than 250,000 acres of Montana land held by foreign persons as established by the Agricultural Foreign Investment Disclosure Act Report of the U.S. Department of Agriculture, and;

Whereas, the amount of acreage is increasing on an annual basis, and;

Whereas, those foreign holdings cause land prices to rapidly escalate in surrounding areas thus depriving Montana persons the ability to compete for purchase, and;

Whereas, those foreign persons do not pay certain other taxes to the State of Montana;

Therefore, there exists a need that foreign persons pay their fair share of taxes to the local taxing units within the State of Montana."

The Legislature of the State of Montana, representing the people of our state, entreat the Governor of the State of Georgia to offer our compassionate condolences to the families of the child victims in the area of Atlanta.

We grieve, along with all of America, for these young souls whose potential when expressed would have added to the strength and character of this nation.

This union is held together with a bond of love and mutual understanding. A loss to a few of our united family is a loss to us all. We recognize that the sense of brotherhood is amongst our most valuable possessions. In this understanding, we join with you in prayer that this heart-rending situation may be resolved and that our brothers and sisters in the Atlanta area may soon live without fear.

In compassionate regards,

Montana House of Representatives

#### MESSAGES FROM THE GOVERNOR

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

March 23, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return Senate Bill No. 41, "AN ACT AMENDING SECTION 15-6-209, MCA, TO CLASSIFY AS TAX EXEMPT SENIOR CITIZEN CENTERS THAT ARE COMMUNITY SERVICE ORGANIZATIONS ESTABLISHED CONTINUOUSLY SINCE JANUARY 1, 1981," without my signature and recommend the attached amendment.

I am proposing an amendment to the title of Senate Bill No. 41, so that the title accurately reflects the changes made in Section 1 (15-6-209(2)), of the bill.

I urge your concurrence in this amendment.

Sincerely,

TED SCHWINDEN  
Governor

March 23, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return Senate Bill No 459, "AN ACT TO GENERALLY REVISE THE LAWS GOVERNING OUTFITTERS AND GUIDES IN THE STATE OF MONTANA; AMENDING SECTIONS 2-15-3403, 87-4-101 THROUGH 87-4-106, 87-4-121 THROUGH 87-4-128, 87-4-130, 87-4-131, AND 87-4-141 THROUGH 87-4-144, MCA," without my signature and recommend the attached amendments.

It is the intent of SB 459, in part, to allow immediate family members of a deceased licensed outfitter to continue to outfit for the term of the deceased outfitter's unexpired license, if the director of the Department of Fish, Wildlife, and Parks approves. The bill as written, does not clearly accomplish this task. The problem can be solved by clarifying the language in Section 17 (Section 87-4-131(3)) of the bill.

Further, I am also proposing an amendment to Section 10 (Section 87-4-123(1)(d)) of the bill in order to clarify the language. Neither the substance nor intent of the cited section has been changed by my proposed amendment.

I urge your concurrence in these amendments.

Sincerely,

TED SCHWINDEN  
Governor

YOUTH PROGRAMS; DEVELOPMENTAL DISABILITIES PROGRAMS; AND MENTAL HEALTH, ALCOHOLISM, AND DRUG TREATMENT PROGRAMS AND OF THE FEASIBILITY OF REORGANIZATION OF FUNCTIONS PERFORMED ON BEHALF OF THE RECIPIENT GROUPS.

WHEREAS, Montana's first deinstitutionalization effort was the closure of Twin Bridges Children's Center in 1975 with the resulting movement of dependent children into community group homes and other services; and

WHEREAS, deinstitutionalization of residents of Warm Springs State Hospital and Boulder River School and Hospital started in 1974, resulting in a massive decrease in numbers of persons treated in those institutions as well as a dramatic increase in community programs developed to meet their needs; and

WHEREAS, both community and institutional programs for those suffering from alcohol and drug dependence have been developed in response to federal and state laws which have defined alcoholism as a disease and created sources of funds for treatment; and

WHEREAS, four state departments share some of the responsibilities for services to youth, the developmentally disabled, the mentally ill, and the alcohol and drug dependent; and

WHEREAS, decreasing federal funds available for such services require the legislature to make all possible administrative cost savings in order to continue those services which are most beneficial to the recipients.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That an appropriate interim committee be assigned to study:

- (1) the extent of the need for services to youth, the developmentally disabled, the mentally ill, and the drug dependent;
- (2) the effectiveness of institutional programs and of community-based programs for persons in each of these groups;
- (3) the cost of treatment within institutions and within community-based services;
- (4) the effect on the employees of institutions and of community-based services of any changes recommended;
- (5) alternatives to the existing administrative structure which would provide better service to each group, including combining certain functions within one department or combining some services into regional centers;
- (6) the relationship of community private nonprofit service corporations to the state and ways to clarify duties and responsibilities; and
- (7) alternative financing mechanisms which would allow for the most appropriate treatment to the individual whether in the institutions or in the community.

BE IT FURTHER RESOLVED, that the committee report its findings and recommendations to the 48th Legislature and, if necessary, draft legislation to implement its recommendations."

### MESSAGES FROM THE GOVERNOR

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

3/26/81

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return Senate Bill No. 49, "AN ACT TO REQUIRE THAT INSURERS AND HEALTH SERVICE CORPORATIONS TRANSACTING HEALTH INSURANCE IN THIS STATE OFFER AN OPTION FOR HOME HEALTH CARE UNDER HOSPITAL AND MEDICAL SERVICES POLICIES AND CONTRACTS," without my signature and recommend the attached amendment.

In the introduced bill the phrase "hospital and medical expenses incurred insurance policies" was used in Section 2 to describe one type of policy which would come within the coverage of the act. During the legislative process the section was amended in such a way that the intended function of the phrase as a discrete modifying unit was destroyed, rendering continued use of the phrase superfluous and confusing.

The proposed amendment eliminates the unnecessary language and confusion and emphasizes the expressed intention that the act apply to group plans.

I urge your concurrence in this amendment.

Sincerely,

TED SCHWINDEN  
Governor

Speaker of the House

Dear Representative Marks and Senator Turnage:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return Senate Bill 85, "AN ACT TO MAKE RAFFLE PRIZE RESTRICTIONS NONAPPLICABLE TO NONPROFIT CORPORATIONS, RELIGIOUS CORPORATIONS SOLE, AND OTHER NONPROFIT ORGANIZATIONS WHEN THE PROCEEDS OF A RAFFLE ARE USED FOR CHARITABLE PURPOSES," without my signature and recommend the attached amendments.

Senate Bill 85 intends to exempt a nonprofit corporation, religious corporation sole, and other nonprofit organization from the restrictions set forth in Section 23-5-413, MCA, when the proceeds of a raffle are used for charitable purposes. As adopted it is not clear whether a single nonprofit corporation, religious corporation sole, or other nonprofit organization conducting a raffle would benefit from the exemption.

I am proposing amendments so as to ensure that when one or more nonprofit corporations, religious corporations sole, or other nonprofit organizations conduct a raffle, and the proceeds of the raffle are used for charitable purposes, the corporation or organization will be exempt from the restrictions set forth in Section 23-5-413, MCA.

I urge your concurrence in these amendments.

Sincerely,

TED SCHWINDEN  
Governor

(1) A group policy delivered or issued for delivery in this state that insures employees or members for hospital, surgical, or major medical insurance on an expense incurred or service basis, other than for specific diseases or for accidental injuries only, must provide that employees or members whose insurance under the group policy would otherwise terminate because of termination of employment or membership may continue the hospital, surgical, and major medical insurance coverage of that group policy for themselves and their eligible dependents, subject to all of the group policy's terms and conditions applicable to those forms of insurance and subject to the following conditions:

(a) Continuation is available only to an employee or member who has been continuously insured under the group policy (and for similar benefits under any group policy which it replaced) during the entire 3-month period ending with termination.

(b) Continuation is not available for a person who is or could be:

(i) covered by medicare; or

(ii) covered by any other insured or uninsured arrangement which provides hospital, surgical, or medical coverage for individuals in a group.

(c) Continuation of coverage is requested in writing within 31 days after the later of:

(i) the date of termination; or

(ii) the date the employee is given notice of the right of continuation by either his employer or the group policyholder.

(2) An employee or member electing continuation must pay to the group policyholder or his employer on the due date of each payment, on a monthly basis in advance, the amount of contribution required by the policyholder or employer, but not more than the group rate for the insurance being continued under the group policy. The employee's or member's written election of continuation, together with the first contribution required to establish contributions on a monthly basis in advance, must be given to the policyholder or employer within 31 days of the date the employee's or member's insurance would otherwise terminate.

(3) Continuation of insurance under the group policy terminates when the insured qualifies for the alternative coverages specified in subsection (1)(b) or, if earlier, at the first to occur of the following:

(a) 6 months after the date the employee's or member's insurance under the policy would otherwise have terminated because of termination of employment or membership;

(b) the end of the period for which contributions were made if the employee or member fails to make timely payment of a required contribution; or

(c) the date when the group policy is terminated or, in the case of an employee, the date his employer terminates participation under the group policy.

(4) If subsection (3)(c) applies and the coverage ceasing by reason of such termination is replaced by similar coverage under another group policy:

(a) The employee or member has the right of coverage under that other group policy for the balance of the period that he would have remained covered under the prior group policy in accordance with subsection (3) had a termination described in subsection (3)(c) not occurred.

(b) The minimum level of benefits provided by the other group policy is the applicable level of benefits of the prior group policy reduced by any benefits payable under that prior group policy.

(c) The prior group policy continues to provide benefits to the extent of its accrued liabilities and extensions of benefits as if the replacement had not occurred.

(5) Notification of the continuation privilege must be included in each certificate of coverage."

(b) is or could be covered for similar benefits under any arrangement of coverage for individuals in a group, whether insured or uninsured; or

(c) is eligible for similar benefits by reason of any state or federal law; and

(2) whose benefits under sources referred to in subsection (1)(a) or benefits provided or available under sources referred to in subsections (1)(b) and (1)(c) together with the converted policy's benefits would result in a duplication of benefits.

NEW SECTION. Section 7. Benefit levels — converted policy need be no greater than group policy. An insurer is not required to issue a converted policy providing benefits in excess of the hospital, surgical, or major medical insurance under the group policy from which conversion is made.

NEW SECTION. Section 8. Preexisting conditions — total benefits payable first policy year. The converted policy may not exclude, as a preexisting condition, any condition covered by the group policy, but the converted policy may provide for a reduction of its hospital, surgical, or medical benefits by the amount of any such benefits payable under the group policy after the individual's insurance terminates thereunder. The converted policy may also provide that during the first policy year, the benefits payable under the converted policy, together with the benefits payable under the group policy, may not exceed those that would have been payable had the individual's insurance under the group policy remained in force.

NEW SECTION. Section 9. Continued group insurance upon retirement — conversion election. If coverage would be continued under the group policy on an employee or member following his retirement prior to the time he is or could be covered by medicare, the employee or member may elect, in lieu of such continuation of group insurance, to have the same conversion rights as would apply had that insurance terminated at retirement.

NEW SECTION. Section 10. Medicare eligibility — benefit reduction. The converted policy may provide for reduction or termination of coverage of any person upon his eligibility for coverage under medicare or under any other state or federal law providing for benefits similar to those provided by the converted policy.

NEW SECTION. Section 11. Insured's family — conversion entitlement. Subject to the conditions set forth in this section, the conversion privilege is also available to:

(1) the surviving spouse, if any, at the death of the employee or member, with respect to the spouse and such children whose coverage under the group policy terminates by reason of such death, otherwise to each surviving child whose coverage under the group policy terminates by reason of such death, or if the group policy provides for continuation of dependents' coverage following the employee's or member's death, at the end of such continuation;

(2) the spouse of the employee or member upon termination of coverage of the spouse, by reason of ceasing to be a qualified family member under the group policy, while the employee or member remains insured under the group policy, including such children whose coverage under the group policy terminates at the same time; or

(3) a child solely with respect to himself upon termination of his coverage by reason of ceasing to be a qualified family member under

the group policy, if a conversion privilege is not otherwise provided above with respect to such termination."

The governing bodies of the affected counties shall publish notice of the submission of an impact plan at least once in a newspaper of general circulation in the county. The impact statement shall include:

(a) a timetable for development, including the opening date of the development and the estimated closing date;

(b) the estimated number of persons coming into the impacted area as a result of the development;

(c) the increased capital and operating cost to local government units for providing services, including but not limited to police and fire protection, sewage, water treatment, schools, road construction and upkeep, education, and medical care, which can be expected as a result of the development;

(d) the financial or other assistance the developer will give to local government units to meet the increased need for services.

(2) In the impact statement, the developer shall commit itself to pay all of the increased capital and net operating cost to local government units that will be a result of the development, either from tax prepayments, as provided in [section 9], special impact bonds, as provided in [section 10], or other funds obtained from the developer and shall provide a time schedule within which it will do so.

(3) An affected local government unit shall, within 90 days after receipt of the statement from the developer, notify the board in writing if that local government unit objects to the statement, specifying the reasons why the statement is objected to. If no objection is received within the 90-day period, the statement shall be approved by the board.

(4) If objections are received from a local government unit, the board shall promptly notify the developer and forward a copy of the local government unit's objections to the developer. If within 30 days the local government unit and the developer cannot resolve the objection, the board shall conduct a hearing on the validity of the objections which shall be held in the affected county or, if objections are received from local government units in more than one county, shall be held in the county which, in the board's judgment, is more greatly affected. The provisions of the Montana Administrative Procedure Act shall apply to the conduct of the hearing. The impact statement filed by the developer shall carry no presumption of correctness at the hearing.

(5) Following the hearing, the board shall, within 60 days, make findings as to those portions of the impact statement which were objected to and, if appropriate, amend the impact statement accordingly. The findings and impact statement, as amended, shall be served by the board upon all parties. Any local government unit or the developer, if aggrieved by the decision of the board, is entitled to judicial review, as provided by Title 2, chapter 4, part 7, in the district court in and for the judicial district in which the hearing was held."

Insert: "NEW SECTION. Section 9. Tax prepayment — large-scale mineral development. (1) After permission to commence operation is granted by the appropriate governmental agency, and upon request of the board of county commissioners of a county in which a facility is to be located, a person intending to construct or locate a large-scale mineral development in this state shall prepay property taxes in an amount equal to at least three times the estimated property tax due the year the large-scale mineral development facility commences operation. This prepayment shall exclude the 6-mill university levy and the mandatory county levy for the school foundation program of 40 mills.

(2) The person who is to prepay under this section shall not be obligated to prepay the entire amount established in subsection (1) at one time. Upon request of the governing body of an affected local government unit, the person shall prepay the amount shown to be needed from time to time as determined by the board.

(3) The person who is to prepay shall guarantee to the hard-rock mining board, with appropriate bank guaranties as may be required by the board, that property tax prepayments will be paid as needed for expenditures created by the impacts of the large-scale mineral development.

(4) When the mineral development facilities are completed and assessed by the department of revenue, they shall be subject during the first 3 years and thereafter to taxation as all other property similarly situated, except that in each year after the start of production, the local government unit that received a property tax prepayment shall provide for repayment of prepaid property taxes in accordance with subsection (5).

(5) A local government unit that received property tax prepayment under this section shall provide for repayment according to the following procedure:

(a) In each year after the commencement of mining, the local government shall:

(i) divide its budget by the average mill levy of its jurisdiction during the 3 years immediately preceding commencement of mining operations, to arrive at a taxable valuation needed to fund its budget using the average 3-year mill levy;

(ii) reduce the taxable valuation of property of a person who prepaid property taxes by the difference between the actual taxable value of the person's property and the taxable value determined under subsection (5)(a)(i).

(b) The reduction in taxable value, if any, determined under subsection (5)(a)(ii) times the average mill levy used in subsection (5)(a)(i) equals the property tax prepayment credit allowed for the taxable year.

(c) The procedure established under subsection (5)(a) shall continue from year to year until the total credit allowed the person who prepaid property taxes equals the total property taxes prepaid.

NEW SECTION. Section 10. Education impact bonds. (1) When the need for new school facilities is determined, the owners of a large-scale mineral development may enter into a written agreement with the trustees of a school district that has the burden for the issuance of bonds to cover the cost of such new construction. The trustees of a school district will execute a written agreement with the owner of a large-scale mineral development for the issuance of any special industrial educational impact bonds provided for in this section.

(2) The agreement with the owners of a large-scale mineral development shall provide for a payment guarantee, in addition to the taxes imposed by the school district on property owners generally, of the principal and interest on the bonds provided for in this section. Payment will then be made by an annual special tax levy on the property of the large-scale mineral development sufficient to retire the principal and interest on these special impact bonds. The bonds shall not be an obligation of the trustees or the school district.

(3) The debt limits set forth in 20-9-406 and the provisions of 20-9-410 and 20-9-421 through 20-9-432, inclusive, do not apply to bonds issued in accordance with this section. The interest on such bonds shall not be subject to state taxes.

Section 11. Section 15-16-201, MCA, is amended to read:

"15-16-201. Tax prepayment — new industrial facilities. (1) A person intending to construct or locate a major new industrial facility, as defined in subsection (2) of this section, shall upon request of the board of county commissioners of the county in which the facility is to be located, prepay, when permission is granted to construct or locate by the appropriate governmental agency, an amount equal to three times the estimated property tax due the year the facility is completed. The person who is to prepay under this section shall not be obligated to prepay the entire amount at one time but, upon request of the board of county commissioners of the county, shall prepay only that amount shown to be needed from time to time. To assure this payment or payments, the person who is to prepay shall guarantee to the board of county commissioners and also have a bank or banks guarantee that these amounts will be paid as needed for expenditures created by the impact. When the facility is completed and assessed by the department of revenue, it shall be subject during the first 3 years and thereafter to taxation as all other property similarly situated, except that one-fifth of the amount prepaid shall be allowed as a credit against property taxes in each of the first 5 years after the start of productive operation of the facility.

(2) A major new industrial facility is a manufacturing or mining facility other than a large-scale mineral development as defined in [section 3(4)] which will employ on an average annual basis at least 100 people in construction or operation of the facility and which will create a substantial adverse impact on existing state, county, or municipal services."

During the noon recess, word was received of the assassination attempt on President Reagan and the members of his staff in Washington, D.C. Because of the gravity of the news, both the House and Senate agreed to extend their immediate deadlines and moved adjournment for the day. Therefore, Representative Fagg moved that Joint Rule 6-34 be suspended and that the 71st legislative day be the transmittal deadline for returning measures to the house of origin, and that the rules be further suspended to allow revenue and appropriation measures to be transmitted until the 75th legislative day. Motion carried unanimously.

Representative Fagg moved that the House adjourn until 11:00 a.m., March 31, 1981.

Motion carried.

House adjourned at 2:15 p.m.

**MESSAGES FROM THE GOVERNOR**

The Honorable Robert Marks  
Speaker of the House  
Montana House of Representatives  
State Capitol  
Helena, Montana 59620

March 27, 1981

Dear Mr. Speaker:

This is to inform you that I have signed the following measures this date:

House Bill Nos. 358, 404, 466.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Robert Marks  
Speaker of the House  
Montana House of Representatives  
State Capitol  
Helena, Montana 59620

March 30, 1981

Dear Mr. Speaker:

This is to inform you that I have signed the following measures this date:

House Bill Nos. 67, 91, 271, 302, 346, 405, 411, 435, 439, 452, 468, 494, 522, 534, 535, 537, 598, 630, 637, 643, 690, 860.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

March 30, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol

Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return Senate Bill No. 78, "AN ACT TO REVISE THE DETERMINATION OF DISTANCE LIMITATIONS FOR THE ISSUANCE OF A LIQUOR LICENSE; EXCEPTING LICENSES ALREADY ISSUED; AND AMENDING SECTIONS 16-1-106, 16-4-105, 16-4-201, AND 16-4-501, MCA," without my signature and recommend the attached amendments for the following reasons.

The five mile distance from an incorporated city is currently measured in a straight line from the nearest entrance of the premise to be licensed to the nearest boundary of an incorporated city. Senate Bill No. 78, changes the distance measurements as follows: the five mile distance from an incorporated city will be measured over the shortest public road or highway from the nearest entrance of the premise to be licensed to the nearest boundary of such incorporated city.

The effect of Senate Bill No. 78 is that it removes all distance limitations determining how near to an incorporated city or county an all beverage or on-premise beer licensee may locate his premise. If the distance from the nearest entrance of the premise to the nearest boundary of an incorporated city is greater than five miles, via the shortest road or highway, a license may be issued.

The proposed amendment to Section 6 would ensure that the provisions of Sections 2 through 5 of the Act do not apply to and would not alter the classification of those previously issued licenses or effect their renewability as long as the licensees remain in their existing premises. In addition, the amendment will ensure that all licenses issued after the effective date of Senate Bill No. 78, retain their original status even though shorter public roads or highways may be constructed after the original issuance of the license.

I urge your concurrence in these amendments.

Sincerely,

TED SCHWINDEN  
Governor

GOVERNOR'S PROPOSED AMENDMENTS  
TO SENATE BILL NO. 78

1. Page 15, lines 20 through 24.

Following: "6." on line 20

Strike: remainder of lines 20 through 24 in their entirety

Insert: "Effect on licenses. (1) With respect to any retail beer or all-beverage license for on-premise consumption, that has been issued prior to the effective date of this act, the provisions of (sections 2 through 5) do not affect:

(a) the validity of the license or its reissuance for the same premise or;

(b) the status of the license as a city or county license so long as the premise is not relocated.

(2) With respect to any retail beer or all-beverage license for on-premise consumption, issued on or after the effective date of this

act, the validity of the license or any reissuance of the license shall not be affected by the construction of a public road or highway occurring after the date the license is originally issued."

March 30, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill No. 201, "AN ACT DIRECTING THE DEPARTMENT OF REVENUE TO COMPILE AND PUBLISH ANNUALLY INFORMATION OBTAINED FROM THE REALTY TRANSFER ACT AND TO REQUIRE THE DEPARTMENT OF REVENUE TO PROVIDE INFORMATION TO INDIVIDUAL TAXPAYERS CONCERNING THE VALUATION OF PROPERTIES COMPARABLE TO THEIR OWN; AMENDING SECTION 15-7-308, MCA," without my signature and recommend the attached amendments for the following reasons.

In its present form, the bill requires annual publication, by April 15, of a sales ratio study containing comparisons of the assessed value and sales price of real estate in the various counties and cities in the state from information obtained from realty transfer certificates. The Department would not have data for all areas of the state by April 15. Changing the publication date to July 1 would permit the Department to use more complete data and would result in a more valuable study.

In subsection 3, the bill requires the Department to provide taxpayers with sales and assessment data for comparable property when the taxpayer appeals an assessment. This requirement will necessitate additional personnel and additional salaries, neither of which have been provided for in the bill. It is estimated that the cost would be between \$300,000 and \$500,000 per biennium.

Providing that this requirement will not become effective until January 1, 1986, will allow sufficient time for the logistics of providing this service to be adequately addressed.

I urge your concurrence in these amendments.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Robert L. Marks

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill 593, "AN ACT TO AUTHORIZE THE GOVERNOR TO NEGOTIATE WITH OTHER STATES TO ESTABLISH AGREEMENTS FOR SUBMITTING APPLICATION TO THE RAIL PASSENGER CORPORATION FOR INSTITUTION OF RAIL PASSENGER SERVICE IN THE STATE OF MONTANA," without my signature and recommend the attached amendment for the following reasons.

The reference to Section 403(b), although unstated, is the Public Law citation. This reference is unnecessary since that Public Law section has been codified as Section 563(b) in the Rail Passenger Service Act. Two different citations to the same substantive section are unnecessary and confusing.

For clarification, I am proposing to delete the reference to section 403(b) in HB 593.

I urge your concurrence in this amendment.

Sincerely,

TED SCHWINDEN

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill No. 632, "AN ACT TO REQUIRE FORMULATION OF A COUNTY ALCOHOL TREATMENT AND PREVENTION PLAN ANNUALLY; AMENDING SECTION 53-24-211, MCA," without my signature and recommend the attached amendment for the following reasons.

House Bill No. 632, as adopted, allows a county to submit an alcohol treatment and prevention plan to the Department of Institutions by January 1 of each year. In Section 4 of the bill, the Department is prohibited from distributing money to a county after December 31, if the county has not submitted its plan. The use of December 31, in Section 4, creates an uncertainty in the bill since it does not coincide with the January 1 date.

It appears that the inclusion of the December 31 date in the original law was necessary from an accounting standpoint which is no longer applicable.

The uncertainty created by the continued use of the December 31 date can be eliminated by changing that date to January 1.

I urge your concurrence in this amendment.

Sincerely,

TED SCHWINDEN  
Governor

### MESSAGES FROM THE GOVERNOR

The Honorable Robert Marks  
Speaker of the House  
Montana House of Representatives  
State Capitol  
Helena, Montana 59620

March 31, 1981

Dear Mr. Speaker:

This is to inform you that I have signed the following measures this date:

House Bill Nos. 15, 16, 35, 98, 99, 106, 112, 147, 257, 284, 285, 409, 457, 462, 473, 492, 528, 540, 584, 625, 661, 681, 711, 748, 749.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

March 31, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto Senate Bill No. 80, "AN ACT SPECIFICALLY EXEMPTING PEAT MINING FROM THE HARD ROCK MINING ACT; AMENDING SECTION 82-4-303, MCA," for the following reasons.

Article IX of the Constitution of the State of Montana, pertaining to "Environment and Natural Resources", states in pertinent part as follows:

"Section 2. Reclamation. (1) All lands disturbed by the taking of natural resources shall be reclaimed. The legislature shall provide effective requirements for the reclamation of lands disturbed."

Senate Bill 80 exempts "peat" from the reclamation requirements of the Hard Rock Mining Act by excluding "peat" from the definitions of "mineral" in Section 1, Subsection 6, and from "surface mining" in Section 1, Subsection 11, of the bill. What is most significant is that the Legislature

has not provided effective requirements and standards in any other laws for the reclamation of lands disturbed by the taking of peat.

Existing law does not require extensive, overly burdensome or expensive reclamation requirements for peat. Nevertheless, the Constitution does require that all lands disturbed by the taking of peat or other natural resources be reclaimed, and that the Legislature establish effective requirements and standards, however basic.

Moreover, the other natural resources exempt from the definitions of "mineral" and "surface mining", are all subject to other state reclamation laws. Clearly, an exemption for "peat" is in direct contradiction of Article IX, Section 2 of the Constitution of the State of Montana, and I hereby veto Senate Bill No. 80.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return Senate Bill No. 267, "AN ACT TO GENERALLY REVISE THE LAWS RELATING TO ADOPTION AND TO AMEND THE LAWS RELATING TO RELINQUISHMENT AND PLACEMENT OF CHILDREN FOR ADOPTION BY THEIR PARENTS WITHOUT AGENCY INVOLVEMENT; AMENDING SECTIONS 40-6-125, 40-8-101, 40-8-103, 40-8-104, 40-8-111, 40-8-113, 40-8-121 THROUGH 40-8-123, MCA; AND REPEALING SECTION 40-6-124, MCA," without my signature and recommend the attached amendment for the following reason.

The amendment I have proposed is strictly for the purpose of correcting an incorrect cross-citation.

I urge your concurrence in this amendment.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill No. 286, "AN ACT TO PROVIDE A STATE-CHARTERED BUILDING AND LOAN ASSOCIATION THE SAME RIGHTS AS A FEDERALLY-CHARTERED SAVINGS AND LOAN ASSOCIATION; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE," without my signature and recommend the attached amendments for the following reasons.

House Bill No. 286 provides that with the approval of the Department of Business Regulation, a state-chartered building and loan association may engage in an activity in which a federally-chartered savings and loan engages. A condition of that approval is that the state-chartered institution obtain and maintain insurance of accounts acceptable to the department. The condition of department approval of an institution's insurance of account differs from the standard requirement that insurance be maintained with the Federal Savings and Loan Insurance Corporation.

Problems have arisen throughout the United States with foreign insurance companies doing business in the United States failing to provide adequate service to depositors in financial institutions. Those companies are not often susceptible to an adequate examination by state agencies such as the Department of Business Regulation. Use of these foreign insurance companies may jeopardize the deposits of Montana citizens. Moreover, insurance with the Federal Savings and Loan Insurance Corporation has proven to be a safe and stable means of securing protection of Montana depositors.

The attached amendments require that in order to seek the special orders authorized under House Bill No. 286, a state-chartered building and loan association must obtain and maintain insurance of accounts through the Federal Savings and Loan Insurance Corporation pursuant to 12 U.S.C. Sections 1726, et seq.

I urge your concurrence in these amendments.

Sincerely,

TED SCHWINDEN  
Governor

March 31, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return House Bill No. 547, "AN ACT TO ALLOW SIGNS OR DISPLAYS THAT ADVERTISE CULTURAL EXHIBITS OF NONPROFIT HISTORICAL OR ARTS ORGANIZATIONS TO BE ERECTED IN PROXIMITY TO HIGHWAYS; AMENDING SECTION 75-15-111, MCA," without my signature and recommend the attached amendment for the following reasons.

House Bill No. 547 as adopted allows the erection of signs or displays advertising cultural exhibits of nonprofit historical or arts organizations along highways without the imposition of any standards on size, location, or content. I know the bill was prompted by a desire to save the Range Rider Museum sign near Broadus, Montana. I support the concept of permitting advertising of Montana's cultural exhibits and have directed the Department of Highways to develop alternative locations for the Range Rider Sign. However, the existence of one illegal sign is not the issue here. The problem, if this bill is enacted without amendment, is that Montana's law will be less restrictive than federal law and for that reason Montana will fail to comply with federal requirements.

Under the federal outdoor advertising act, states which have less restrictive standards than those provided by federal law or regulations are subject to a 10 percent reduction in federal funds apportioned to the state.

The pertinent part of the federal statute is:

(b) Federal-aid highway funds apportioned . . . to any State which the Secretary determines has not made provision for effective control of the erection and maintenance along the Interstate System and the primary system of outdoor advertising signs, displays, and devices . . . *shall be reduced by amounts equal to 10 per centum* of the amounts which would otherwise be apportioned to such State under section 104 of this title, until such time as such State shall provide for such effective control. 23 U.S.C. Sec. 131

In fiscal year 1981, Montana was apportioned \$82,851,161 in federal highway funds. Over \$8 million would be jeopardized by the enactment of this bill.

I share your frustration with federal interference and regulation of state concerns. I am, however, very concerned with the loss of highway funding. As I mentioned in my transportation message on March 3, Montana's highways are in deplorable condition. The highway system is losing the

race against inflation. As executive officer of this State, I cannot justify gambling \$8 million of Montana's share of federal funds.

It is clear that I would risk those funds if I did not act. Today, I received a telegram from President Reagan's newly appointed Federal Highway Administrator, Ray Barnhart. He informed me that if this bill is signed into law unamended he would have no choice but to withhold part of the federal aid funds to Montana, as has already been done in at least five states.

In 1977, South Dakota permanently lost \$4.3 million for failure to comply with the federal government after taking the issue to the U.S. Supreme Court. In the four other states - Vermont, New York, Alabama and Oklahoma - federal funds were withheld and only restored *after* the states brought their laws into compliance with the federal law.

The Legislature may be willing to risk a costly legal battle or the loss of these necessary funds to satisfy their frustration over federal laws, but I do not think this would be in the best interests of the people of Montana. The battle over federal domination of state decisions needs to be fought, but can only be successful if we choose those cases where the issues are of key importance to Montana and where our legal position is sound. This is clearly not the case with HB 547.

The amendment I propose will permit cultural signs in locations where they are not now permitted. The federal standards for such signs are in some ways less restrictive than present Montana law. The adoption of the amendment will result in compliance with federal requirements to assure full funding of Montana's highway projects and also allow the advertising of cultural exhibits in many new locations.

I urge your concurrence in this amendment.

Sincerely,

TED SCHWINDEN  
Governor

(c) For purposes of this subsection (4), an individual is blind only if his central visual acuity does not exceed 20/200 in the better eye with correcting lenses or if his visual acuity is greater than 20/200 but is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees.

(8) For taxable years beginning after December 31, 1980, the department, by November 1 of each year, shall multiply all the exemptions provided in this section unadjusted by subsection (7) by the inflation factor for that taxable year and round the product to the nearest \$10. Section 3. Section 5 of Initiative No. 86 is amended to read:

"Section 5. Section 15-30-142, MCA, is amended to read:

"15-30-142. Returns and payment of tax — penalty and interest — refunds — credits. (1) Every single individual and every married individual not filing a joint return with his or her spouse and having a gross income for the taxable year of more than ~~\$940~~ \$1,180, as adjusted under the provisions of subsection (7), and married individuals not filing separate returns and having a combined gross income for the taxable year of more than ~~\$1,880~~ \$2,360, as adjusted under the provisions of subsection (7), shall be liable for a return to be filed on such forms and according to such rules as the department may prescribe. The gross income amounts referred to in the preceding sentence shall be increased by ~~\$800~~ \$1,000, as adjusted under the provisions of 15-30-112(7) and (8), for each additional personal exemption allowance the taxpayer is entitled to claim for himself and his spouse under 15-30-112(3) and (4). A nonresident shall be required to file a return if his gross income for the taxable year derived from sources within Montana exceeds the amount of the exemption deduction he is entitled to claim for himself and his spouse under the provisions of 15-30-112(2), (3), and (4), as prorated according to 15-30-112(6).

(2) In accordance with instructions set forth by the department, every taxpayer who is married and living with husband or wife and is required to file a return may, at his or her option, file a joint return with husband or wife even though one of the spouses has neither gross income nor deductions. If a joint return is made, the tax shall be computed on the aggregate taxable income and the liability with respect to the tax shall be joint and several. If a joint return has been filed for a taxable year, the spouses may not file separate returns after the time for filing the return of either has expired unless the department so consents.

(3) If any such taxpayer is unable to make his own return, the return shall be made by a duly authorized agent or by a guardian or other person charged with the care of the person or property of such taxpayer.

(4) All taxpayers, including but not limited to those subject to the provisions of 15-30-202 and 15-30-241, shall compute the amount of income tax payable and shall, at the time of filing the return required by this chapter, pay to the department any balance of income tax remaining unpaid after crediting the amount withheld as provided by 15-30-202 and/or any payment made by reason of an estimated tax return provided for in 15-30-241; provided, however, the tax so computed is greater by \$1 than the amount withheld and/or paid by estimated return as provided in this chapter. If the amount of tax withheld and/or payment of estimated tax exceeds by more than \$1 the amount of income tax as computed, the taxpayer shall be entitled to a refund of the excess.

(5) As soon as practicable after the return is filed, the department shall examine and verify the tax.

(6) If the amount of tax as verified is greater than the amount theretofore paid, the excess shall be paid by the taxpayer to the department within 30 days after notice of the amount of the tax as computed, with interest added at the rate of 9% per annum or fraction thereof on the additional tax. In such case there shall be no penalty because of such understatement, provided the deficiency is paid within 30 days after the first notice of the amount is mailed to the taxpayer.

(7) By November 1 of each year, the department shall multiply the minimum amount of gross income necessitating the filing of a return by the inflation factor for the taxable year. These adjusted amounts are effective for that taxable year, and persons having gross incomes less than these adjusted amounts are not required to file a return."

Section 4. Section 9, Chapter 698, Laws of 1979 is amended to read:

"Section 9. Deductions for exemptions in 1979 and 1980. (4) The exemption amounts allowed in 15-30-112 are increased for taxable years beginning after December 31, 1978, and before January 1, 1980, by \$50 for each \$2.5 million by which the general fund balance, as certified by the director of the department of administration to the director of the department of revenue, exceeds \$14 million as of June 30, 1979 and for taxable years beginning after December 31, 1979, and before January 1, 1981, by \$250.

(2) The exemption amounts allowed in 15-30-112 are increased for taxable years beginning after December 31, 1979, and before January 1, 1981, by \$50 for each \$2.8 million by which the general fund balance, as certified by the director of the department of administration to the director of the department of revenue, exceeds \$13 million as of June 30, 1980."

### MESSAGES FROM THE GOVERNOR

The Honorable Robert Marks  
Speaker of the House  
Montana House of Representatives  
State Capitol  
Helena, Montana 59620

April 1, 1981

Dear Mr. Speaker:

This is to inform you that I have signed the following measure this date:  
House Bill No. 525.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Robert Marks  
Speaker of the House  
Montana House of Representatives  
State Capitol  
Helena, Montana 59620

April 2, 1981

Dear Mr. Speaker:

This is to inform you that I have signed the following measures this date:

House Bill Nos. 174, 275, 613, 789.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

April 2, 1981

The Honorable Robert L. Marks

Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return Senate Bill 414, "AN ACT TO CLARIFY THE LAW WHICH ADDRESSES THE CONDITIONS UNDER WHICH THE CHANGE OF OWNERSHIP LIVESTOCK INSPECTION REQUIREMENTS DO NOT APPLY; AMENDING SECTION 81-3-211, MCA," without my signature and recommend the attached amendments for the following reasons.

The amendment I am proposing to Senate Bill No. 414 is necessary to clarify the intent of the Legislature with respect to House Bill No. 860 (Chapter 196, Laws 1981). House Bill No. 860 attempted to remove a potential hardship caused by the immediate effective date of House Bill No. 247 (Chapter 111, Laws 1981) by changing the effective date of House Bill No. 247 to January 1, 1982. House Bill No. 247 imposes a brucellosis vaccination requirement on certain female cattle imported into Montana.

House Bill No. 860 should have contained an immediate effective date. Without an immediate effective date, Section 1-2-201, MCA, provides that a bill takes effect on the first day of July following its passage and approval. Since an immediate effective date was not contained in House Bill No. 860, the immediate effective date of House Bill No. 247 was not successfully delayed until January 1, 1982. Therefore the hardships immediately imposed on affected persons have not been mitigated or eliminated. Senate Bill No. 414 is returned for amendment to make House Bill No. 860 effective on passage and approval of Senate Bill No. 414.

I urge your concurrence in these amendments.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

April 2, 1981

The Honorable Robert L. Marks

Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto Senate Bill 226, "AN ACT TO AMEND SECTION 39-51-204, MCA, TO EXCLUDE TREE-THINNING CONTRACTORS WHO SATISFY CERTAIN CONDITIONS FROM THE DEFINITION OF "EMPLOYMENT"; AND PROVIDING AN EFFECTIVE DATE OF MAY 1, 1981."

If Senate Bill 226 became law, tree thinners would be the only workers in the State of Montana to pay for their own coverage for workers' compensation insurance. Senate Bill 226 would shift the burden of providing workers' compensation coverage from an employer to an employee for the first time since the enactment of Workers' Compensation in 1915.

Significantly, the bill does not attempt to define tree thinners as independent contractors; it exempts them from the legal definition of employment for the purposes of unemployment insurance and workers' compensation. It places tree thinners in the same category as individuals exempted in such categories as delivery of newspapers by an individual under the age of 18, a patient in a hospital performing services for that hospital, an inmate in a prison performing services for that institution, and minor children employed by their parents in a family-owned business.

Exempting tree thinners represents a significant departure from the current exemption criteria. All current exemptions are included in the federal statutes and are adopted by the state for consistency; tree thinners would be the first exemption from the definition of employment that is not contained in the federal statutes.

Enactment of Senate Bill 226 would open the door for potential abuse of this statute. Wood products workers are employed in the second most dangerous occupation in the state, and their workers' compensation coverage is expensive. Enactment of SB 226 would encourage employers in the wood products and other industries to try to re-classify other employees to avoid payment of unemployment insurance and workers' compensation coverage.

Senate Bill 226 also creates administrative difficulties for the workers' compensation program. Since the bill requires each individual tree thinner to pay for his own workers' compensation coverage, the Division would be required to maintain separate files, take separate payments and keep records on each individual tree thinner employed in Montana. In contrast to the current situation where the Workers' Compensation Division has contracts with the major employers who hire tree thinners, the state of Montana would have approximately 2,000 separate contracts with individual tree thinners. Because of the seasonable nature of their employment, those individuals are difficult to contact through normal business channels. As a result, many tree thinners may not bother to register for workers' compensation even though they would be required to by law. A substantial drain on the Unemployed Insurers Fund could ensue if these people injure themselves without having coverage as provided by law.

For these reasons, I hereby veto SB 226.

Sincerely,

TED SCHWINDEN

Governor

He made a motion and then, after discussion, agreed to withdraw it until Monday. Because of the seriousness of the situation, Representative Vincent moved to refer the matter to the Speaker of the House before taking action. Motion carried.

State Capitol  
Helena, Montana 59620

April 2, 1981

Ladies and Gentlemen of the Montana Legislature:

As Governor of the State of Georgia, I am heartened to receive the condolences of you and your people. The consideration you have shown for our tragic loss is deeply appreciated.

I am especially touched by the massive public outpouring of sympathy that has surrounded our people in this time of tragedy, grief and fear. And I appreciate your letter all the more, for the brotherhood you expressed in it will be the only medicine for the wounded spirits of our people after the crimes have ended and the sentences have been passed.

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

April 6, 1981

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

Dear Representative Marks and Senator Turnage:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return House Bill No. 197, "AN ACT TO GENERALLY CLARIFY AND REVISE THE PUBLIC EMPLOYEES' RETIREMENT SYSTEM ACT REGARDING MEMBERSHIP, CONTRIBUTIONS, AND BENEFITS; AMENDING SECTIONS 19-3-104, 19-3-201, 19-3-605, 19-3-703, 19-3-805, 19-3-902, 19-3-906, 19-3-1103, 19-3-1106, 19-3-1301, AND 19-3-1304, MCA; REPEALING SECTION 19-3-1303, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE," without my signature and recommend the attached amendment for the following reasons.

Section 4 amends Section 19-3-703 in such a way as to require that the accumulated contributions of an employee whose service is discontinued by other than death or retirement be refunded. The effect of this change is to eliminate the option, on the part of an employee who has five or more years of service and who terminates before retirement age, to leave his contributions in the system and draw a retirement allowance upon reaching retirement age.

I am proposing an amendment to insert language to allow a choice on the part of the terminating employee to leave his accumulated contributions in the system.

I urge your concurrence in this amendment.

Sincerely,

TED SCHWINDEN  
Governor

The money in the fund may also be used for any other purpose determined by the authority in accordance with guaranty contracts with financial institutions entered into pursuant to the provisions of [sections 2 through 33], including without limitation, the protection of the interest of the authority in the acquisition of a farm or ranch during periods of loan delinquency or upon loan defaults.

Section 28. Loan guaranty program. (1) The authority may guarantee and make commitments to guarantee payment required by a loan for any acquisition of a farm or ranch upon such terms and conditions as the authority may prescribe in accordance with the provisions of [sections 2 through 33]. In administering the guaranty program, the authority may require the payment of a fee or premium, establish application fees, and prescribe application, notification, contract and guaranty forms, rules, regulations and guidelines.

(2) A loan guaranteed by the authority under the provisions of [sections 2 through 33] shall:

- (a) be made for the acquisition of a farm or ranch;
- (b) be financed initially from the proceeds of notes or bonds issued pursuant to [section 30];
- (c) be made to a borrower approved by the authority or lending institution as responsible;
- (d) contain complete amortization provisions satisfactory to the authority; and
- (e) be in such principal amount, be in such form, and contain such terms and provisions with respect to property insurance, repairs, alterations, payment of taxes and assessments, delinquency charges, and default remedies.

(3) The authority is authorized from time to time to enter into guaranties, insurance contracts, or any other agreement or contracts with respect to the guaranty fund and any guaranteed loan. Any such agreement or contract may contain terms and provisions necessary or desirable in connection with the guaranty program subject to

the requirements established, including without limitation terms and provisions relating to loan documentation, review and approval procedures, origination and servicing rights and responsibilities, default obligations, procedures and obligations, and obligations with respect to guaranty contracts made under the provisions of [sections 2 through 33].

(4) Any contract of guaranty made by the authority under the authorization of the provisions of [sections 2 through 33] shall provide that claims payable thereunder shall be paid from any amounts available in the economic development guaranty fund and from any amounts available under the terms of any applicable contract or agreement with the financial institution which originated the guaranteed loan. The obligation of the authority to make payments under any such contract shall be limited solely to such sources, and shall not constitute a debt or liability of the authority or the state. Any guaranty contract and any rule, regulation, or guideline of the authority implementing the guaranty program may contain such other terms, provisions or conditions as the authority considers necessary or appropriate, including without limitation those relating to the payment of guaranty premiums, the giving of notice, claim procedure, the sources of payment for claims, the priority of competing claims for payment, the release or termination of loan security and borrower liability, the timing of payment, the maintenance and disposition of projects and the use of amounts received during periods of loan delinquency or upon default, and any other provision concerning the rights of insured parties or conditions to the payment of guaranty claims. Any premiums for the guaranty of loan payments under the provisions of [sections 2 through 33] may be determined on such basis, be payable by such person, and be payable in such amounts and at such times as the authority shall determine, and the amount of the premium need not be uniform among the various loans guaranteed.

(5) The minimum reserve requirement for the beginning farmer guaranty fund shall be 10% of the aggregate amount of loans insured. No loan may be insured by the authority if such loan together with the aggregate of all other loans then insured exceeds 10 times the amount of funds available in the beginning farmer guaranty fund.

Section 29. Authority to request additional funds. (1) In order to assure the maintenance of the beginning farmer guaranty fund, the chairman of the authority shall on or before September 1 in the year preceding the convening of a regular legislative session deliver to the governor a certificate stating the sum, if any, required to restore the beginning farmer guaranty fund to the minimum reserve requirement. The governor shall include in the executive budget submitted to the legislature the sum required to restore the beginning farmer guaranty fund to the minimum capital reserve requirement. The legislature may appropriate all or any portion of the sum so required from the income from the coal tax constitutional trust fund.

(2) All amounts remitted to the authority under this section constitute advances to the authority and shall be repaid to the state treasury without interest from available operating revenues of the authority in excess of amounts required for the guaranty of loans.

Section 30. General obligation bonds authorized to fund beginning farmer guaranty fund. (1) The board of examiners, upon the recommendation of the authority created by [section 4], may issue and sell general obligation bonds in an amount not to exceed \$5 million. The bonds shall be issued, sold and retired in the same manner as prescribed in 17-5-403, for the long range building program bonds.

(2) The proceeds of the sale of the bonds authorized by subsection (1) shall be deposited in the beginning farmer guaranty fund as provided in [section 27]."
